For: MAGNETIC SENSOR AND
MANUFACTURING METHOD THEREFOR

Examiner: B. L. Ledyne

COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants have been informed by the Examiner that the paper under 37 C.F.R. 1.32 filed on March 18, 2011 has not been accepted by the USPTO because it did not list by name, the practitioners contained in Applicants' May 29, 2007 Declaration who are to be recognized.

Applicants submit herewith a new paper under 37 C.F.R. 1.32 identifying by name and registration number the ten practitioners contained in Applicant's May 29, 2007 Declaration who are to be recognized. Applicants respectfully request these ten practitioners be recognized as having the power of attorney to prosecute the present application.

Applicants furthermore resubmit for acceptance the revised Terminal Disclaimer, previously filed on December 21, 2010. From a review of the records in Public Pair at the USPTO, it appears that on March 8, 2011 this Terminal Disclaimer was not accepted by the USPTO because of the alleged defect in the Power of Attorney. Applicants respectfully submit that the

submission of the revised paper under rule 1.32 included herewith cures that alleged defect, and the undersigned representative of the Applicants, Michael J. Scheer has the power to execute this Terminal Disclaimer.

Acceptance of the revised Terminal Disclaimer is respectfully requested.

Dated: August 12, 2011

Respectfully submitted,

Electronic signature: /Michael J. Scheer/
